# ENTERPRISE TABLET PRO™

## Samsung Galaxy Tab A 9.7" & 10.1"

### DESIGN BENEFITS

#### Easy to Interact with Tablet

- Multiple orientations allows for integrated use, enhancing the sales or presentation experience
  - Rotate to portrait or landscape orientation
  - Swivel rotation from 180° to 0 to 180°
  - Tilt 90° for 'table top' orientation
- Quick release with integrated hand strap behind case — allows easy, single-hand hold or carry.

#### Complete Integration

- Proprietary connection feature both secures and powers the tablet, making it simple and easy to set up
- Turns tablets into fully functional workstations with multiple USB 2.0 inputs allowing for: multi screen set-up, keyboard, mouse, Ethernet (RJ45) for network integrations\*

*\*HDMI is not supported via the Galaxy Tab A*

- Enterprise Tablet Case™ keeps the tablet secure and protected while being fully integrated — no external wires for locking, docking and connectivity
  - Protects screen, buttons and connectors against drops, falls, and wear-and-tear from extensive use
  - Multiple tablet OEM case designs available
- Optional accessory integration:
  - Card swipes, touch key pads

#### Easy Release RFID Card Locking Technology

- Unlocks with one swipe of a card for single hand release
- Auto-locks when inserted into base, so tablet is always secure and charging
- Tablet Quick Release feature in event of a power outage means you're always in control of your technology
- Easy to read LED system:
  - Solid Green = connected, secure and charging
  - Blinking Green = RFID card has unlocked Tablet Pro Case™
  - Red = Tablet Pro Case™ is removed from universe docking port

*Multiple tilt, pivot and swivel orientations.*

*Turns tablets into fully functional workstations.*

*RFID card swipe across base to release Tablet Pro Case™*
