Single feed for on-demand printing

The Magicard Pronto printer features a single card feed that enables you to produce a personalised card on demand in moments. Edge-to-edge and sharp image quality for simple and easy card printing in a compact and highly reliable package.

Rewrite technology

Using special rewrite cards, the Pronto colour ID card printer can print and erase the same card over and over in monochrome blue or black, ideal for visitors passes and temporary badges.

Budget friendly and secure

The Magicard Pronto printer delivers low cost printing and free card visual security as standard with four HoloKote® watermark designs. Security can be further enhanced with magnetic stripe and smart card encoding options.

Robust, compact and portable

The Magicard Pronto printer's aesthetic curves showcase an ultra-robust product. Its light and compact design makes it easy to transport to any location and reside on any counter or desktop.

Standard features

| VISUAL SECURITY HoloKote® | Edge to edge | Rewritable |

Card security options

HoloKote®

A standard anti-counterfeiting watermark printed in a grid pattern across the entire card surface. The Pronto HoloKote features 4 standard designs.

HoloPatch®

HoloPatch cards have a highly reflective gold 'super diffuser' foil square that enhances the visibility of the overprinted HoloKote logo.

Magnetic stripe

The Pronto can be specified with ISO standard 7811 compatible HiCo encoding of magnetic stripe cards.

Smart card encoding

Smart card encoding options: Contact chip, Mifare®, Desfire®, iClass®.
