- |                   |   |                 |                              |
|-------------------|---|-----------------|------------------------------|
| • Model Available | : SI-5108DT<br>(Starter Facial Recognition Terminal<br>5-Inch Touch Display). | • User          | : 3000(5000 option).         |
| • LCD             | : 5-inch touch screen.  | • Face Template | : 3000(5000 option).         |
| • CPU             | : S806.   | • QR code       | : Option.                    |
| • Memory          | : 256m  | • RFID          | : 3000(5000 option).         |
| • Camera          | : 2 MP dual lens.   | • Log           | : 10,000.                    |
| • Communication   | : Wiegand,USB.  | • Voltage       | : 12V 3A.                    |
| • Screen          | : High resolution LPS screen.   | • Temperature   | : -10°C - 45°C (14°F-113°F). |
| • Audio           | : Loudspeaker.  | • Humidity      | : 10% - 90%.                 |
|                   |   | • Software      | : WEB software.              |

## Recognition distance of 1 meters and extra wide angle recognition.

The recognition distance has been greatly extended to 1 meter, which significantly improves maximum traffic rate.
